

INVITATION TO MEMBERSHIP

Fall is fast approaching so it's that time of year when El Rancho Reata Community Alliance (ERRCA) offers their Sprinkler Blowout and Membership opportunity to folks in our area serviced by BMID.

"Why join?" The answer: Community Connection! We have a Facebook page and provide members with an e-newsletter with information of interest to those of us living in the area, with a classified ads section upcoming event information, and updates from our various committees.

The Purpose of the Alliance:

- To determine needs, promote solutions and advance goals of the residents of the Rancho Reata area.
- To stimulate better neighbor relations.
- To provide opportunities for members to meet and discuss topics of interest regarding the Alliance and the development of the Rancho Reata area.
- To advance the recognition and interests of the Alliance.

Benefits of Membership:

- **Quarterly newsletters** with articles of interest.
- **Eligibility to participate in the sprinkler blowout.** (See enclosed 2022 Sprinkler Blowout registration form.)
- **Email notification for reuniting lost and found pets.** We've reunited all sorts of pets with their families - from dogs to cats, geese to pigeons, and horses to bunnies.
- **Alliance-sponsored events** including Community Yard Sales, the popular community Extravaganza (picnic/fun day), and other events of interest when we have the volunteers.
- **Information about vandalism and crime** concerns as they occur in our area.
- We hope you will consider joining. **Membership is only \$25.00 per year. The registration form can be found inside this mailing.**

Community Trails!

There are trail easements along Rancho Reata's boundaries and throughout the development between properties. These trails are a great way to enjoy some of the scenery in and around Reata. A trail map is available by calling our Trail Committee Chairperson, Jennifer Kyle at 360-991-2895 or visit our website at www.errca.net. Jennifer will be happy to answer any questions you may have. We are always looking for volunteers to help maintain the trails.

To join, mail in the attached registration form with your check.

PLEASE CONSIDER VOLUNTEERING:

Your blowout fee is free if you volunteer— you only pay the annual membership fee of \$25! You also have an opportunity to meet your neighbors while doing a good deed. We work to pair veteran volunteers with newcomers so more people get to know the ropes. Each team will need a towing rig with a 2" ball hitch. **Please indicate if you are a veteran, have a rig for towing the compressor, and check your availability in the boxes below – more than one option is ideal if possible.** Please be sure to include a cell phone number (if available) and your e-mail.

HOMEOWNERS: Please read and sign before sending in your registration:

Please make sure to run your system until water stops flowing before your scheduled blowout. Doing this will help BMID drain the entire system before the blowout. **BMID requests that, just prior to your scheduled blowout time, you close YOUR main shut-off valve.** This will prevent the compressor from blowing air into the system.

IMPORTANT: The volunteers cannot run your systems due to liability. Someone who is familiar with your irrigation system must be available to operate it during your blowout. Please sign below that you understand that if someone is NOT there who is knowledgeable about your system, we will be unable to blow out your irrigation system.
